## 22. Financial Evaluation

- 32.1 Tenders determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows:-
  - a) If there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected;
  - b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
  - c) Where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.

Factors not included in these Tender documents shall not be used in the evaluation of the Tenderers' qualifications.
- 34.4 An affirmative determination/due diligence will be a prerequisite for award of the contract to the Tenderer.
