### PRESS STATEMENT ON THE ALLEGED INVASION OF THE HOME OF FORMER CABINET SECRETARY DR FRED MATIANG'I

---

**For immediate Release**

**Arabal, Baringo; (Thursday; 9<sup>th</sup> February, 2023)** - We have received media reports and inquiries about an alleged invasion of the home of the immediate former Cabinet Secretary for Interior and Coordination of National Government Dr. Fred Matiang'i by some unidentified persons last night. Dr. Matiang'i's lawyers and some politicians who spoke from the scene alleged that the said persons were police officers sent to arrest the former Cabinet Secretary.

This allegation is utterly **FALSE**. No police officer(s) or any security agent from any Government institution or department was dispatched to the home of Dr. Matiang'i to arrest, harass or otherwise interfere with his Constitutional rights in any manner whatsoever.

I have confirmed with the command of the National Police Service (NPS), the Ethics and Anti-Corruption Commission (EACC), the Kenya Revenue Authority (KRA) and all law enforcement agencies that none of them have any orders to look for the former Minister.

Our Country's security agencies remain apolitical and focused on addressing the security challenges that our Nation is facing. Any person with information relating to the alleged incident at Dr. Matiang'i's home last night is advised to file a formal complaint at the nearest police station for investigations and appropriate action.

**Thank you.**
